About Us

About

SANCO for Equipment Rental was established on 03/11/1428H in Yanbu having grown and expanded over the last years. The head office is located in Haii Al Mehan LIP Royal Commission Yanbu Al Sinaiyah.

Rental Division provides services to clients and businesses in the Civil, Industrial, Commercial, Utility and Event Industries. The rental solution eliminates the need for capital investment.

SANCO Rental is currently employing a team of over 700 dedicated and competent staff, with a growing fleet of machines over 500.

- **Our all equipments and operators have TUV certified.**
- **Our all operators belong to the same sponsor.**

Our Vision:

To be the best in our field in equipment rental and logistics services.

Our Mission:

To grow into a world class services, rental and market focused company.

We also want to ensure that we:

- Offer customer-driven total solutions
- Continuously improve and update our services- equipment and employers.
- Always deliver on time and quick services.
- Maximize profits for long-term gain with highest quality service.

Our Aim:

To be the recognized leader in the Kingdom of Saudi Arabia for the rental solutions and logistics services.
